

County needs for trauma care not met, some say

By PATRICIA BROWN
ANP Staff Writer

The need for a trauma center in western Wayne County is the subject of meetings staged in area communities by physicians, hospital administrators and concerned citizens.

Beverlyn Jordan, the founder of the group concerned by what they see as a lack of trauma care, became concerned after her father died on the way to one of two hospitals which provided the necessary care.

Now that the group has staged meetings in Dearborn, Dearborn Heights, Inkster and will later this month in Westland, Jordan is convinced residents are concerned.

"I didn't know they were that concerned," she said. "They seem concerned with what health care has to offer, which is more than remodeling and building new buildings."

Conference supports tax-increment financing

By JOAN DYER-ZINNER
Belleville City Editor

Although tax increment financing authorities have recently come under fire, members of the 18-community Conference of Western Wayne reaffirmed their faith in them as tools for stimulating economic development.

A resolution, which called for the continuation of tax increment financing as a method of stimulating economic development, was adopted by the CWW at its May 10 meeting.

The resolution encourages local communities to help preserve existing tax increment

"You would have a team of surgeons, trauma surgeon and a neuro surgeon who would be at the hospital."

— **Beverlyn Jordan**
group founder

Since Wayne County General closed in 1984, western Wayne County has been without a trauma center. The nearest trauma centers are in Detroit, at Detroit Receiving Hospital, and in Ann Arbor, at the University of Michigan Hospital.

Physicians from both hospitals have participated in the meetings, according to Jordan.

One of the biggest concerns is

Detroit Metropolitan Airport. Since the closing of Wayne County General, the airport has grown considerably and plans include a major expansion.

After closing its doors, Wayne County General became Westland Medical and recently was acquired by the owners of Annapolis Hospital, and is now known as Annapolis Westland.

Annapolis Westland is used for psychiatric care and for drug and alcohol rehabilitation. Although the hospital still operates an urgent care center, the only emergency room available to residents living in Wayne, the southside of Westland and Inkster, is at Annapolis Wayne.

An emergency room is different than an urgent care center. An urgent care center is for non-life threatening emergencies.

Last week, Jordan appeared

before the Inkster City Council to ask for support. She told councilmembers the current health care available was not enough, and the community is at risk.

Wayne County Commissioner Kay Beard recently appeared before the Westland City Council to ask for support and also to inform the public the next meeting would be staged at 7 p.m. May 29 at Westland City Hall.

So far, Jordan and other

group members have collected 1,500 signatures.

Since their first meeting, the group has changed its plans from merely educating the public about potential dangers affecting the area to becoming a grass-roots effort to do something about the problem, Jordan said.

"We are focusing on what is called a level-two trauma center," she said.

A level-two trauma center would provide around the clock

physicians, surgeons and specialists on duty, not on-call, she said.

"There is a difference between on duty and on call," she said. "You would have a team of surgeons, trauma surgeon and a neuro surgeon who would be at the hospital."

The public is invited to attend the meeting in Westland later this month. The meeting will include presentations from U-M and Detroit Receiving hospital physicians.

Weight Loss Surprises Researchers

WASHINGTON—A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Researchers in Europe found that an ingredient in the aptly named produce Food Source One actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious British Journal of Nutrition. Researchers in an earlier study had speculated that the weight loss was due to a decrease in intestinal absorption of calories.

While the development of Food Source One, a project of National Dietary Research, would not be used to successfully fulfill its original goal, the discovery has been a windfall for overweight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds, but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 15 days on the product and was never hungry.

Food Source One is available through physicians and pharmacies without a prescription because it is not a drug and contains only natural ingredients already known to be safe. Copies of the referenced study are available free from National Dietary Research, Suite 553, 1377 K St., Washington, DC 20005, however, please include \$2 Postage & Handling for each request.

ROMULUS NEWS

DIGEST

Run registration has May 16 deadline

The Northwest Airlines/Romulus Community Pride 10K Run will be staged at 8:30 a.m. May 18. The 6.2-mile run and the 1-mile walk/run are part of the Romulus Community Festival. The run will start near the recreation center, 36515 Bibbins. The race features a raffle with many prizes including two round-trip tickets anywhere in the United States, Canada or Alaska. Late registration will be staged May 13 to 16 at the Total Runner, 29217 Northwestern. For more information, phone 285-9318.

Veterans will sell poppies

The Romulus VFW Post 9568 will sell poppies May 16 to 18 at various locations throughout the city.

Archery Club hosts benefit

The Romulus Chamber of Commerce and the Romulus Metro Archery Club will host a 50-50 Archery Benefit Shoot. Half the proceeds will benefit the drug task force program created by Mayor Beverly McAnally. The remainder of the proceeds will go to the archery club. Participants with the best hands will receive 50 percent of the shooting fee. The event will continue through June, seven days a week, at Northline and Huron River Drive in Romulus. Individuals 18 years old or older can participate. For more information, phone 941-9486.

Head Start recruits youth

The Romulus Head Start and Michigan Department of Education preschool programs are recruiting eligible 3- and 4-year-old children for the session beginning in September. The preschool programs serving low-income families will be staged at Beverly School. Those interested should phone Gale Reinhackel at 728-7815.

Civic League stages events

The Romulus Civic League is offering adult social night from 8 p.m. to 12 p.m. each Friday. The program first started in June 1990.

Court

Continued from page A-1

as a result of terminal breast and liver cancer when she asked her husband and her daughter to accompany her to Michigan to be with her when she ended her life, according to Harper. The Harpers didn't believe Bertram Harper would be prosecuted in Michigan based on literature published by the Hemlock Society, a Portland, Ore.-based right-to-die organization. They also thought Oakland County authorities, at the time, hadn't charged retired Royal Oak pathologist Dr. Jack Kevorkian with murder in helping Janet Adkins, 54, of Portland commit suicide by lethal injection last June. Harper told police his wife put a plastic bag over her head several times, intending to kill herself. She became hot and uncomfortable a few times, however, so she asked him to remove the bag, according to Harper. When Virginia Harper fell asleep, Harper said he slipped the bag over her head and secured it with rubber bands and twist-ties. Virginia Harper died of asphyxiation, according to the Wayne County Medical Examiner's report. A trace amount of alcohol was found in her bloodstream along with sedatives, which wouldn't have caused her death.

Townhouses add 7 board members

By MARGO DEWEY
ANP Staff Writer

Wellesley Townhouses Cooperative residents decided to take matters into their own hands and add seven more members to their Board of Directors. Last month, residents picketed the cooperative office, asking for a recall of board members William Lincoln, Mary Danko, Mary Tyus and Marjorie Haynie. Cynthia McMillin, newly appointed board member, is pleased with the latest addition of board members. "A membership meeting was set for 7 p.m. May 5," McMillin said. "The board canceled the meeting. According to our by-laws, the board does not have the right to cancel a scheduled membership meeting."

"We met anyway. Our legal counsel informed us we could do this according to our by-laws. We went through the whole election procedure. A resolution was established and approved to increase the board members."

Board member Charles Ripple hand delivered the recently approved resolutions to the new president, Mary Danko. William Lincoln was the president until about April 30, when Danko and Lincoln switched positions.

"We had a quorum of 52 people for the vote," Ripple said. Newly appointed board members include: Cynthia McMillin, Charlie Ripple, Cathy Randell, Oliver Krell, Anne Davis, Kathy Sedlar and Mike Piotrowski.

Ronald McDonald helps students learn ecology

By MARGO DEWEY
ANP Staff Writer

Ronald McDonald visited Romulus Wick Elementary School students a week ago and helped students understand the importance of preserving the earth. The event was presented in conjunction with Earth Day, according to Wick Principal Chuck Shamey. "The students were divided into two groups, and he explained to them how to recycle, reuse and reduce at home," Shamey said. "The children were really able to understand him because he presented the information in a fun way by involving the whole audience." McDonald gave the students a little information at a time, and then he would ask them to recite what he said in order to make sure the students understood him. "He really knew how to put humor in the presentation," Shamey said. "For example, one of the kids played 'Gretta the Garbage Queen.' Ronald

A notice was sent to the four members of the Board of Directors demanding answers to the following allegations:

- Lincoln would have to explain why he voted to remove Charles Ripple as a board member for not paying late fees when Lincoln has a history of unpaid late fees which he claims the board waived.
- Haynie, Tyus, Lincoln and Danko would have to explain what they do in the office after hours and why they have continued to do it even after Housing Urban Development officials told them to stop.
- Why did the board of directors kick Lincoln off as president? On March 21, Wellesley had a pre-election for board members. The election was conducted at the annual board meeting to elect two positions to the board. The election results were as follows:
 - Marjorie Haynie - 71 votes.
 - Mary Danko - 63 votes.
 - Cynthia McMillin - 55 votes.
 - Oliver Krell - 37 vote.
 - Roxanne Akowitz - 23 votes.
 - Tim Spiewak - 23 votes.
 - Rick Boyer - 5 votes.

Wellesley former attorney Carl Becker decided to resign, alleging the former board misused his name for political reasons and twisted information to benefit the board. "I cannot work for a Board of Directors which selectively discloses certain attorney-client matters, but not others for apparent political purposes and uses my name in the process," Becker said. A recall meeting will be staged 7 p.m. June 3 at Wellesley.

McDonald was able to involve all the children with the presentation."

McDonald also had the teachers participate in one of the ecology games, competing against the students. He divided a handful of teachers against a handful of students, making each group pose as a word.

McDonald shuffled the teachers and students about, and each group had to put themselves back in order to form the word they started out as. The students won the competition.

The school choir was also on hand during the event and sang two ecology songs. Wick Elementary students have been learning about preservation and recycling throughout the year, according to Shamey. "The teachers have been very busy working on a number of projects," Shamey said. "One of the goals is to plant trees."

Before McDonald left the students, he shook each of their hands.

Students to prepare for disaster

By MARGO DEWEY
ANP Staff Writer

Romulus Senior High students exercised a bit of role playing May 6 and learned the responsibilities the Romulus Emergency Management team takes on during a disaster.

Margaret Leduc, Emergency Management coordinator from the Romulus Fire Department, presented a mock hazardous situation to the senior state and local government class of instructor Rod Hanna.

Several students were appointed by Hanna to act as various members of the Emergency Management team, including: Abu Hamilton - damage assessor, Melissa Avery - police chief, Jennifer Holtschlog - fire chief, Danielle Winston - chief executive/mayor, Cari Arble - public information officer, Willie Hester - public works director, Nancy Moomeca - shelter officer, Sylvia Harris - school official representative, Tameca Roberts - medical and welfare representative, Lötte

Medley - Detroit News representative, Trudy Villarreal - Channel 7 reporter and Christina Rivest - Romulus map plotter.

"It's a clear spring day in May in Romulus at 0600 hours," Leduc said. "The dispatch office receives several reports of a train derailment just south of the Grant Road and C and O railroad crossing. The engine is located at the Herman Street crossing."

"The derailed cars have liquid petroleum gas. These cars are punctured and are leaking their contents."

Leduc described the weather conditions as 90 degrees and humid with winds coming from the south, southwest at 4 mph.

"The dispatch phones are ringing off the hook," Leduc said. "What do you do?"

Leduc told the students one of the first steps to take during a disaster is to set up a command area.

The students decided to meet at a location on Middle Belt Road. Leduc then challenged the students with a number of

situations such as whether or not the Romulus Senior Towers should be evacuated.

The students decided the Senior Towers should be evacuated. Leduc then informed the class the Civil Air Patrol has arrived to offer assistance. "Where should they go?" Leduc said.

"We could use them to help in the shelters," Moomeca said.

Reporters started asking questions to the Emergency Management team. They wanted to know how many were injured and where the individuals who were evacuated were being transferred.

Winston informed the reporters those evacuated were being sent to various shelters, and the situation was in control.

Leduc was one of many guest speakers giving presentations to Hanna's class from May 6 to May 10.

"This is part of Speakers Week," Hanna said. "I try to get (students) to understand local government as much as possible."

NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES

FOR THE PURPOSE OF RUBBISH AND GARBAGE DISPOSAL AND CITY OPERATIONS

The Romulus City Council of the City of Romulus, will hold a public hearing on a proposed increase of 0.4261 mills in the operating tax millage rate to be levied in 1991.

The hearing will be held on Tuesday, May 28, 1991 at 6:00 p.m. at the Romulus City Council Chambers, 11111 Wayne Road, Romulus, Michigan, 48174.

If adopted the proposed additional millage will increase operating revenue from ad valorem property tax 3.93% over such revenue generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete and legal authority to establish the number of mills to be levied from within its authorized millage rates.

Council approves request

Romulus councilmembers approved a six-year tax abatement request from a Romulus business May 13 on \$968,000 in personal property.

Horizon Screw Machine Products officials originally asked for a 12-year tax abatement. However, Romulus Mayor Beverly McAnally recommended councilmembers consider a six-year abatement.

Councilmembers staged a public hearing before the regularly scheduled council meeting. Horizon officials intend on manufacturing metal parts for the automotive industry which would create 20 new jobs, according to City Clerk Linda Choate.

HSMP officials also plan on installing about \$2 million in equipment, according to Romulus Assessment Director Matthew Raftary.

House is demolished

By AMANDA WILSON
ANP Special Writer

City Council has approved demolition of a house on 35819 Parkplace, and the eyesore is scheduled to be removed within the next few days. Abandoned when the resident died, the home has been boarded since May 1988. Soon after, the Department of Building, Safety and Engineering began procedure to have the building torn down and removed.

"Unfortunately, while these steps were being taken, a fire occurred on the structure, causing an even greater deal of damage and leaving it in extremely dangerous condition," said Willie B. Watson, assistant director of the department.

An immediate demolition request was then set before City Council, along with a list of contractors. The request was accepted by council May 6.

SCHOOL NEWS

Best of Barth are recognized for their efforts

Top students at Barth Elementary School were honored recently for everything from great grades to perfect attendance during the third marking period of the 1990-91 school year.

Honored were:

CITY OF ROMULUS APPENDIX A - ZONING AMENDMENT 1.112

An Ordinance to Amend Article VII of the Zoning Ordinance of the City of Romulus by the Addition of a New Section to be Known as Section 7.06 Providing Regulations For All New Dwelling Units.

THE CITY OF ROMULUS ORDAINS:

Section 1. SHORT TITLE: This Ordinance shall be known and cited as the Amended Zoning Uses Ordinance.

Section 2. Section 7.06 is adopted to read as follows:

ARTICLE VII: RE, R-1A, R-1B SINGLE FAMILY RESIDENTIAL DISTRICTS

Section 7.06 One and Two Family Dwelling Standards

A. A building permit issued by the City of Romulus shall be required before any dwelling unit is constructed, relocated, or moved into the City. All dwelling units and additions thereto shall meet or exceed the applicable construction standards of the City.

Plans for modulars, prefabricated units, and similarly constructed units shall be approved by the State of Michigan Construction Code Commission as meeting the State Construction Code (Public Act 230 of 1972 and Public Act 371 of 1980 as amended) prior to the issuance of a building or occupancy permit. Mobile homes or trailers shall meet or exceed the requirements imposed by the United States Department of Housing and Urban Development Mobile Home Construction and Safety Standards (24 CFR 3280, and as from time-to-time such standards may be amended). The Chief Building Inspector shall be furnished a certificate stating that such dwelling meets the minimum building code requirements applicable to such structure. Any addition to such mobile home must be designed and constructed by the manufacturer of such mobile home, or must be based upon an architectural plan deemed compatible with the overall design of the mobile home and approved by the Chief Building Inspector.

B. All construction shall meet the minimum lot size, yard spaces, setbacks, parking, and all other minimum site requirements applicable to residential dwellings within the zoning district in which the use will be located.

C. All dwelling units shall meet the minimum living area standards for one-family residential dwellings of the zoning district in which said home is to be located.

D. All one-family dwelling units shall have a minimum width across any front, side, or rear elevation of twenty-four (24) feet.

E. All dwelling units shall be attached to a permanent foundation constructed on the site in accordance with the Building Code and shall have a wall of the same perimeter dimensions of the dwelling and additions thereto and constructed of such materials and type as required in the Building Code. In the event that the dwelling is a mobile home, as defined herein, such dwelling shall also be installed pursuant to the manufacturer's setup instructions and shall be secured to the premises by an anchoring system or device complying with the rules and regulations of the Michigan Mobile Home Commission and shall have a continuous perimeter wall as required above.

F. Single family dwellings shall be aesthetically compatible in design and appearance with other residences in the vicinity, with either a roof overhang of not less than six (6") inches on all sides, or alternatively with roof drainage systems concentrating roof drainage at collection points along the sides of the dwelling; has not less than two (2) exterior doors, with the second one being in either the rear or side of the dwelling; and contains steps connected to said exterior door areas or to porches connected to said door areas where a difference in elevation requires the same. In making such determination of compatibility, the Chief Building Inspector may consider the following factors: total square footage; length to depth proportions; value and quality of construction; exterior building materials; architectural style and design and roof line; as well as the character, design and appearance of a majority of the residential dwellings (excluding mobile home parks) within 2,000 feet of the subject dwelling. The foregoing shall not be construed to prohibit innovative

design concepts involving such matters as solar energy, view, unique land contour, or relief from the common or standard designed home.

G. At least one (1) deciduous tree shall be planted on each residential lot within the proposed right-of-way or that area between the street and the sidewalk. In the case of acreage development or instances where sidewalks were not or are not required, then street trees shall not be required. Subdivisions and site condominiums shall require sidewalks and street trees. The following street trees may be planted in the area between the street and the sidewalk:

Permissible trees when the area is five (5) feet or less in width:

1. Washington Hawthorne
2. Japanese Tree Lilac
3. Golden Rain Tree
4. Yellow Wood
5. Flowering Crab

Permissible trees when the planting area is greater than five (5) feet:

1. Bradford Pear
2. Green Ash
3. Honey Locust
4. Littleleaf Lemon
5. Red Oak
6. Linden
7. Crimson King Maple

The Building Inspector may permit other species after finding that they are similar to those noted above, are a hearty urban road species, have a root system which will not harm underground utilities and do not exhibit the characteristics which will heave or lift sidewalks.

H. Each dwelling shall be connected to a public sewer and water supply or to private facilities approved by the local health department.

I. The foregoing standards shall not apply to a mobile home located in a licensed mobile home park, except to the extent required by State or Federal law or otherwise specifically required in the Zoning Ordinance of the City pertaining to such parks.

Section 3. Except as herein modified the said zoning ordinance shall remain in full force and effect.

Section 4. CONFLICTING PROVISIONS REPEALED: Should any section, clause or provision of this ordinance be declared by the Court to be invalid, the same shall not affect the validity of this ordinance as a whole or any part thereof, other than the part so declared to be invalid.

Section 5. EFFECTIVE DATE: This ordinance shall become effective immediately upon publication in the official newspaper of general circulation.

Section 6. PENALTY FOR VIOLATION:
In the event any person shall violate any of the provisions of this Ordinance, he shall be deemed to be guilty of a misdemeanor and punishable by a fine not to exceed five hundred dollars (\$500.00), or by imprisonment for a term not to exceed ninety (90) days, or by both fine and imprisonment, in the discretion of the court.

I, Linda R. Choate, CMC, Clerk for the City of Romulus, Michigan do hereby certify that the foregoing is a true copy of an ordinance duly adopted by the Romulus City Council at its regular meeting held on the 22th. day of April, 1991.

Linda R. Choate, CMC, Clerk
City of Romulus, Michigan

ATTEST:
Beverly McAnally, Mayor
Within forty five (45) days after publication of any ordinance duly passed by the Council, a petition may be presented to the Council protesting against such ordinance continuing in effect. Said petition shall contain the text of such ordinance and shall be signed by not less than six percent (6%) of the registered electors registered at the last preceding election at which a Mayor of the City was elected. Said Ordinance shall thereupon and thereby be suspended from operation and the Council shall immediately reconsider such ordinance.

INTRODUCED: April 8, 1991
ADOPTED: April 22, 1991
PUBLISHED: May 16, 1991

ROMULUS COMMUNITY SCHOOLS

CITY OF BELLEVILLE
COUNTY OF WAYNE
COMBINED NOTIFICATION FOR:
NOTICE OF FINDING OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

County of Wayne, 600 Randolph, Detroit, Michigan 48226

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about June 3, 1991, the above-named County will request the U.S. Department of Housing and Urban Development to release federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93.383) for the following project(s) accordingly:

1. PROJECT: W. Columbia Sewer Separation
LOCATION: W. Columbia Avenue between E. Huron River Drive and the Western City Limits.
PURPOSE: To construct a new sanitary sewer line which is currently a combined sanitary and storm sewer.

COST:

\$17,000	1986	Block Grant Funds 86-02-NS-03J
\$40,000	1987	Block Grant Funds 87-02-NS-03J
\$43,900	1988	Block Grant Funds 88-02-NS-03J
\$30,000	1989	Block Grant Funds 89-02-NS-03J
\$ 6,800	1990	Block Grant Funds 90-02-NS-03J
\$40,950	1991	Block Grant Funds 91-02-NS-03J

2. It has been determined that such requests for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly the County of Wayne has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190). The reasons for such decision not to prepare such a Statement are as follows:

No significant impact as a result of the environmental assessment.

An Environmental Review Record respecting the above project has been made by the County of Wayne which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at the office of Robert Herron, City Manager, 6 Main Street, Belleville, MI 48111, between the hours of 8:00 a.m. and 5:00 p.m., Monday thru Friday. No further environmental review of such project is proposed to be conducted, prior to the request for release of federal funds. All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the County of Wayne to the office of the undersigned. Such written comments should be received at L-13 Wayne County Building, 600 Randolph, Detroit, MI 48226 on or before May 31, 1991. All such comments so received will be considered and the County will not request the release of federal funds or take administrative action on the within project prior to the date specified in the preceding sentence.

3. CERTIFICATION: The County of Wayne will undertake the project described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD) under Title I of the Housing & Urban Development Act of 1974. The County of Wayne is certifying to HUD that the County of Wayne and Executive Edward McNamera, in his capacity as County Executive, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the County of Wayne may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy of 1969. HUD will accept the objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases:

- (a) That the certification was not in fact executed by the Chief Executive Officer of the applicant; and
- (b) That the applicant's environmental review record for the project indicates omission of a required decision, finding or step applicable to the project in the environmental review process.

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to HUD at: McNamera Building - 17th Floor, 477 Michigan Avenue, Detroit, Michigan 48226. Objections to the release of funds on the basis other than those stated above will not be considered by HUD. No objection received after June 18, 1991 will be considered by HUD.

Edward H. McNamera
County Executive
County of Wayne

PEOPLE

NEW ARRIVALS

Kayla Mary Dizney

Tami and Reggie Dizney of Romulus announce the arrival of their baby girl, Kayla Mary Dizney. She was born at 8:18 p.m. Feb. 27, at Riverside Osteopathic Hospital in Trenton.

Kayla weighed 7 pounds, 10 ounces, and was 20 inches long.

She is the new sister of twins Jennifer and Jessica, 4.

Kayla received her middle name from her grandmother, Mary Dizney of Kentucky.

Proud grandfather is Charles Dennis of Romulus and great-grandparents are Benjamin and Mildred Dennis of Romulus.

Kayla Mary Dizney

Melanie Blevins

Roger and Tammy Blevins announce the arrival of their baby daughter, Melanie Jean Blevins. She was born at 6:51 a.m. April 16 at St. Joseph Hospital.

Melanie weighed 6 pounds, 6 1/2 ounces and was 19 inches long.

She is the baby sister of Dawn Marie, 3, and Anthony Daniel, 2.

Proud grandparents are Jean and Russell Reagin and Jerry and Charlotte Belvins.

Courtney Burda

Dennis and Shelia Burda announce the arrival of their baby daughter, Courtney Sue Burda. She was born at 1:21 a.m. April 29, at St. Joseph Mercy Hospital.

She weighed 7 pounds, 7 ounces.

SOON TO WED

Bassett – Cosby

Mr. and Mrs. Bassett of Belleville are pleased to announce the engagement of their daughter, Patricia, to Stephen Cosby, son of Larry and Sue Cosby of Dallas, Texas. An August 1991 wedding is planned.

The bride-elect is a 1983 graduate of Belleville High School and is working toward a degree in dental hygiene at the University of Cincinnati.

Her fiance is a 1983 graduate of Richardson High School and is working toward a degree in economics at the University of Cincinnati. He is a parts manager at Watkins Motor Lines Inc.

Dr. Bhagat is a hand surgeon on the Medical Staff at Annapolis Hospital, Wayne, and maintains private practices in Warren and Westland.

New surgery to treat hand injury allows for quicker recovery

By Rajesh Bhagat, M.D.

Carpal Tunnel Syndrome (CTS) is a common and troublesome condition that interferes with the use of the hand. Once symptoms of pain and tingling appear, the condition frequently worsens and permanent nerve damage may occur.

Fortunately, an evolutionary surgical procedure to treat CTS is now available in southeastern Michigan. The procedure requires only a small incision, and allows patients to return to work almost immediately.

Signs and symptoms of CTS

The carpal tunnel is the passageway, composed of bone and ligament, through which a major nerve and flexor tendons pass from the forearm to the hand. This nerve provides sensation to the thumb, index, middle, and ring fingers, and controls the muscles in the thumb.

The wear and tear of repeated movement can compress a major nerve against hard bone as it passes through the carpal tunnel, resulting in numbness, tingling, "pins and needles" burning, and pain in the middle and index fingers and thumb.

If left untreated, the tingling and numbness can progress to a weakened grip and severe pain in the hand, which occasionally affects the forearm or shoulder.

This problem can be caused not only by repetitive strain, but also by bone dislocation or fracture, arthritis, diabetes, and fluid retention (e.g., during pregnancy) — anything that increases swelling in the tunnel and compresses the nerve.

Requires small incision

If nerve injury or muscle damage progresses, surgery may be necessary to open the carpal tunnel and relieve the pressure on the major nerve.

The new procedure requires only a tiny incision at the base of the palm, near the wrist. From this incision, a long, lighted tube called an "endoscope" is inserted. The endoscope, about the size of a small straw, opens the carpal tunnel and relieves compression of the nerve from beneath the skin. No splinting after surgery is necessary, and most regular activities can be resumed almost immediately. Patients generally can return to work within one to two weeks, whereas traditional surgery requires a six- to eight-week recovery period.

ANNIVERSARY

Harrel and Marguerite Binkley

Binkley

Harrel and Marguerite Binkley celebrated their 50th wedding anniversary on May 5 at the Wayne Community Center.

The couple also celebrated their anniversary in Texas with their friends.

Skyles

Richard and Jeannie Skyles of Belleville are celebrating their 20th wedding anniversary. The couple was married in Fort Payne, Ala. on May 10, 1971.

The Skyles' children are Marcy, Richard Jr., Helen and Sandra.

Richard has lived in Belleville all his life and Jeannie has been here for 20 years.

Richard was employed by Hydra-matic, while Jeannie worked at the University of Michigan Hospital.

The couple plans to take a second honeymoon later this month.

Rouge Rescue launched

By MARGO DEWEY
ANP Staff Writer

The annual Rouge Rescue project is slated for June 1, but local communities are gearing up now for the areawide effort to improve the environment.

The fifth annual kick-off rally will be staged at 11:30 a.m. May 17 at the Henry Ford Estate Fair Lane Powerhouse on the campus, according to Edward Bagale, associate vice chancellor of governmental relations for UM-D.

"A lot has happened over the last year to improve the quality of life and the environment in the Rouge River Basin," Bagale said. "The Remedial Action Plan is working, and we are beginning to see results in improved water quality. The Henry Ford Heritage Trails program is taking off, and Wayne County Parks are seeing a resurgence of interest in recreation along the river."

The rally will be staged two weeks before the traditional cleanup weekend June 1. Bagale is hoping the rally will draw more volunteer support and community interest in the cleanup project.

"It is our collective effort that will help to inform and strengthen the spirit of restoration and renewal that is so vital in sustaining the future of our region," Bagale said.

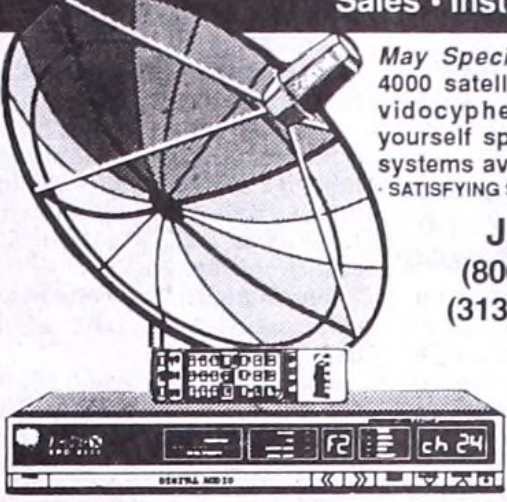

Last January, Friends of the Rouge presented Wayne councilmembers with an award for city cleanup efforts made last June in Dynamite Park.

Approximately 2,700 volunteers helped remove 110 log jams, according to Larry Cogan, executive director of Friends of the Rouge.

More than 22 municipalities in western Wayne County joined hands last year to remove shopping carts and tires from 28 sights surrounding the Rouge River.

Clinic to aid county in fight against infant mortality

By RANDY FRANK
ANP Staff Writer

Pregnant women in western Wayne County will have greater access to prenatal care after the county opens a new prenatal clinic in Dearborn in mid-June.

The new prenatal clinic, located at 5050 Schaefer, will serve the needs of low-income pregnant women who seek medical and non-medical care.

"When this clinic opens, we are going to be able to treat 1,000 more patients each year," said Edward McNamara, Wayne County executive. "If we can treat 1,000 more expectant mothers each year, it is going to make receiving prenatal care much easier for them."

The county estimates it will

reduce the waiting period for prenatal-care appointments from 10 weeks to six weeks after the new clinic opens.

Riverview Hospitals doctors and nurses will staff the new Dearborn clinic. After prenatal care is complete, all routine deliveries will be at Riverview. Non-routine deliveries will take place at Hutzel Hospital.

Today, the county operates prenatal clinics in Highland Park, southwest Detroit, Taylor and southeast Dearborn.

This is two clinics fewer than when the county mounted a campaign against infant mortality in 1984.

Outer Drive Hospital was the most recent closing in December 1990, according to Cynthia Taueg, director of Wayne County Health Department.

If we can treat 1,000 more expectant mothers each year, it is going to make receiving prenatal care much easier for them.

— Edward McNamara
county executive

Taueg and other county officials lamented the closing because a demand for service exists.

In 1989, the county had one of the highest infant death rates in the country, 15 deaths per 1,000 live births, with black babies dying at twice the rate of white babies. The rate rises to 21.3 deaths in Detroit.

Moreover, private doctors were reluctant to pick up the slack.

Private physicians often re-

talities rate in 1989 was generally lower than Detroit. Most cities and townships had fewer than 1,000 births that year.

The following is a list of communities and their infant mortality rates based on 1,000 live births: Belleville, 4.3; Inkster, 15; Wayne, 17.2; Westland, 6.5; and Romulus, 6.1.

Next month, the county will release infant mortality statistics for 1990.

During the past week, county officials have working to raise awareness of the issue as a part of Infant Mortality Prevention Week.

A symposium on the "Cul-

ture of Pregnancy," which explored the various myths and attitudes about pregnancy in society, was staged Wednesday at Mercy College.

County health officials are trying to reach people who need prenatal care by advertising its informational hotline.

If pregnant county residents need help or information, they may call a 24-hour hotline 961-BABY.

Hotline personnel can give expectant mothers information about free prenatal care, family planning, food coupons and transportation to the clinics.

Avoid the rough.

TRANSPORTATION WEEK MAY 12-18, 1991

Riding a SMART bus may not seem like an act of freedom and independence but to many older adults and people with disabilities, it is.

In 1990, Congress passed a new civil rights bill for disabled citizens called the "Americans With Disabilities Act" (ADA). This year, most of the provisions of the legislation will take effect. In particular, wheelchair users, blind citizens and people with hearing impairments will have increased opportunities to gain substantive employment due to the ADA.

Public transportation is expected to provide an essential role in providing people with disabilities the mobility necessary to compete in the work place and to take advantage of these new opportunities. To the disabled community, employment and the spending power associated with it will result in an independence that most take for granted. Bus service is an important tool in helping the disabled community to gain this freedom.

The older adult population in the SMART service area has also grown to rely on SMART bus service. Now more than ever, and especially during the off-peak periods, older adults are using transit vehicles to travel to medical appointments, to go shopping or to an activity center.

One result of this mobility is that many older citizens are staying in their homes longer and continue to be productive citizens in their communities.

During "Transportation Week" in the State of Michigan, May 12-18, please note how public transportation affects the freedom and independence of older adults and people with disabilities.

For information on SMART's routes, fares and schedule information, call 962-5515.

OBITUARIES

Krushlin, Edward

Edward Krushlin, 60, of Westland died May 2, 1991. He is survived by sisters, Irene King and Frances Bullard; brothers, Ernest and Alexander; and several nieces and nephews. Funeral services were at Uht Funeral Home with Robert Millar officiating. Burial was at Knollwood Cemetery.

Lindblad, George C. Sr.

George C. Lindblad Sr., 93, formerly of Belleville died April 29, 1991 at Sand Lake Hospital in Orlando, Fla. He is survived by his daughter, Ruth H. Raymond; four grandchildren and six great-grandchildren. He was preceded in death by his wife, Helen; son, George Jr.; parents, Charles O. and Sophia; three brothers, a sister, and one granddaughter. Funeral services were at St. Paul's Evangelical Lutheran Church with the Revs. James A. Frey and Walter L. Henning officiating. Burial was at Denton Cemetery. Funeral arrangements were made by David C. Brown Funeral Home. Family members request that memorial contributions be made to St. Paul's Evangelical Lutheran Church Parochial School Fund.

Karznia, Lawrence Edward

Lawrence Edward Karznia, 58, of Mansfield died May 7, 1991 at his home. He is survived by his wife, Shirley; daughters, Karen Kozma, Debora Jackson and Laura Jones; and four grandchildren. He was preceded in death by his parents, Edward J. and Nicola. Funeral services were at the First United Methodist Church of Mansfield with John Fiedler officiating. Burial was at Mansfield Cemetery. Funeral arrangements were made by Blessing Funeral Home.

McMasters, David Stanton

David Stanton McMasters, 68, of Wayne died May 1, 1991. He is survived by his wife, Verna; children, Kay Marlene Harpell, David Stanton Ransey, Michael Eugene, Vicki Sue Wheatley and Sharon Lee Sydenstricker; father, Gordon Thompson; sister, Audrey Chamberlin; and eight grandchildren. He was preceded in death by his mother, Vera. Funeral services were at Uht Funeral Home with John Kershaw officiating. Burial was at Cadillac Memorial Gardens West.

Starr, Lillie Mae

Lillie Mae Starr, 68, of Romulus and Westland died May 5, 1991. She was preceded in death by her husband, Estill; son, Steve; and sisters, Rella Jones, Mary Surriat and Clara Corns. She is survived by her children, Ronnie, Judy, Dewalt, Kay Wilder, Ralph, Rick, John, Connie Williams, Betty McCahill, Lisa Gunther and Naomi Harms; brothers, Claude Shaw and William Shaw; sisters, Maggie Thor, Annie Childers and Emma Collins; 38 grandchildren and 10 great-grandchildren. Funeral services were May 8 from Uht Funeral Home with the Rev. Leo Martin officiating. Burial was at Glenwood Cemetery.

Cobb, Charles

Charles Cobb, 65, of Westland died May 6, 1991. He is survived by his wife, Bertie; children, Robert and Dorin Schallier; brother, James Vernon Cobb; sister, Bonnie Foote; and three grandchildren. Funeral services were Saturday at the Uht Funeral Home with burial at Forest Lawn Cemetery.

Douglas, Florence

Florence Douglas, 77, of Wayne died May 1, 1991. She is survived by children, Robert, Lola Parker and Amanda Castleberry; seven grandchildren and eight great-grandchildren. She was preceded in death by her husband, William. Funeral services were in Batesville, Ark. Local arrangements were made by Uht Funeral Home.

Hoag, James

James Hoag, 59, of Algonac died April 30, 1991. He is survived by his wife, Genevieve; children, Rick, Vicky and Michael; grandchildren, Chris and Jennifer; parents, John and Thelma; two sisters and a brother. Funeral services were at Uht Funeral Home with the Rev. Robert Millar officiating. Burial was at Cadillac Memorial Gardens West.

Arnold, Hollas D.

Hollas D. Arnold, 70, of Belleville died April 30, 1991. He is survived by his wife, Evelyn; brother, Cletus G.; nephew, Gregory Allen; and niece, Rhoda Ashbaugh. Funeral services were at Uht Funeral Home. Burial was at Floral Hills Memorial Gardens in W.Va.

Porter, Joseph

Joseph Porter, 82, of Westland died April 27, 1991. He is survived by his wife, Ruby; daughters, Joan Rockwell and Myrna Matthews; brother, Ralph; sister, Velma Kent; six grandchildren and five great-grandchildren. Funeral services were at Uht Funeral Home with Raymond Babb officiating. Burial was at Glen Eden Memorial Cemetery.

Krebs, James Daune

James Daune Krebs, 60, of Romulus died April 29, 1991. He is survived by his parents, James and Marie; brother, Allan; and sisters, Jeannine Wayman and Janie Roth. Funeral services were at Uht Funeral Home with John Kershaw officiating. Burial was at Cadillac Memorial Gardens West.

ROMULUS, MICH. 48174

Ranked 2nd in state Sheffer 2-hits Farmington as Rockets post 16th victory

By DION PRATER
ANP Special Writer

When North Farmington faced Westland John Glenn again Monday night, there was a feeling of déjà vu as the same two Rocket players brought them defeat.

Aaron Scheffer blanked the Raiders on only two hits, while John Ward drove in the winning runs for the No. 2-ranked team in the state. This helped raise the Glenn record to 16-2 overall and 8-1 in the Western Lakes Conference.

While the Rocket hitters

struggled, Scheffer, a sophomore, was mowing them down. The leadoff batter singled and Farmington wouldn't get another hit until there was one out in the 7th.

Scheffer then calmly struck out the next two batters he faced to pick up the complete game victory. In all, he had five strikeouts while only giving up only three walks.

The Rocket ace improved his record to 4-0. This includes an earlier 5-3 victory over North Farmington.

"He pitched very, very well. Whenever there is a big game

ahead, he will pitch it," Glenn Coach Norm Hoenes said.

Gary Pierce led off the start of the game with a double. A walk and one out later, John Ward stepped into the batters box. He promptly doubled, driving home both runs to give the rockets the lead. In their previous game, Ward dropped the Raiders to defeat with a bases-loaded triple in the come-from-behind victory.

In the sixth, Mike White singled and stole second. From there he was sacrificed to third, where he scored the third run for the rockets on a passed

ball. The seventh inning started out similar and had a familiar result for John Glenn. Greg Tammes singled and quickly stole second. However he was advanced to third on a passed ball. A few pitches later, he scored on another passed ball to give the final margin of victory.

It was much of the same story for Glenn last week. Glenn presented Hoenes with a birthday gift Thursday - a 5-1 victory over Livonia Stevenson.

On Friday, North Farmington obliged by knocking off

Western Lakes Division co-leader Plymouth Salem 4-3, leaving Glenn in sole possession of first place.

"It was the best gift they could give me," said Hoenes, who celebrated his 52nd birthday Thursday. "Our destiny is now in our hands."

With the Westlanders scheduled to play North Farmington Monday, they can't afford to rest on their laurels.

"I said before the season that North was the team to beat," Hoenes said. "They're tough, and we have to play our best to beat them."

Glenn has a date Thursday to host Belleville at 4 p.m. to decide which of the two clubs will advance to the Class A district playoffs later this month at Ann Arbor Huron.

"Belleville is a well-coached team," Hoenes said. "I don't know what has happened to them this year, but when you're playing in a one-game knockout tournament, anything can happen."

Glenn stayed on top of the conference pack thanks to a strong pitching performance

See **GLENN**, page B-2

Champs too much for Wayne

By TOM MOORADIAN
ANP Staff Writer

Despite some outstanding performance by Wayne Memorial athletes, undefeated Monroe raced past the Zebras in both the men's and women's meets Tuesday. The defending Wolverine 'A' Conference champions are an overwhelming favorite to repeat.

Monroe will place its crown on the block Tuesday when the teams gather at Wayne Memorial to decide the championship.

"Monroe has proven it is the class of this league," Wayne Coach Floyd Carter said. "However, there are a lot of outstanding athletes who will be performing here. It should be a good show."

The field events will get underway at noon, while the finals are scheduled to begin around 2:30 p.m.

Monroe men's team picked up its seventh straight victory at the expense of Wayne 78-50.

Al Buford again sparked for the Zebras as he carded victories in both the 100 meters (11.0) and the 200 meters (22.5). He became the lone triple-event winner of the meet when he leaped 20'3 1/2" in the long jump.

Wayne also received a superlative effort from James Grady, who won both the 110-meter hurdles in an excellent 15.03 then polished off the intermediate hurdles in 40.5. Both were "best times" for Grady.

Michael Hooks accounted for the only other Wayne individual winner. He covered the 400-meter dash in 53.0.

Carter put together a team made of Shaun Ma'azza, Grady, Ken Craig and Joe Dumont, who responded with the winning time for the 800-meter relay (1:32.9), and the Zebras had the best 1,600-meter relay team thanks to Dumont, Hooks, Grady and Phil Gibson, who were clocked in 3:33.6.

In the meantime, the Wayne women also fell to Monroe 81-47, wasting outstanding performances from Erika Beetz.

Beetz, who will be participating in her first regional championships Saturday, is a possible medalist in the hurdles. She proved that by winning both the 100-meter and the 300-meter hurdling events against Monroe. She also tossed in a victory in the high jump (5'0").

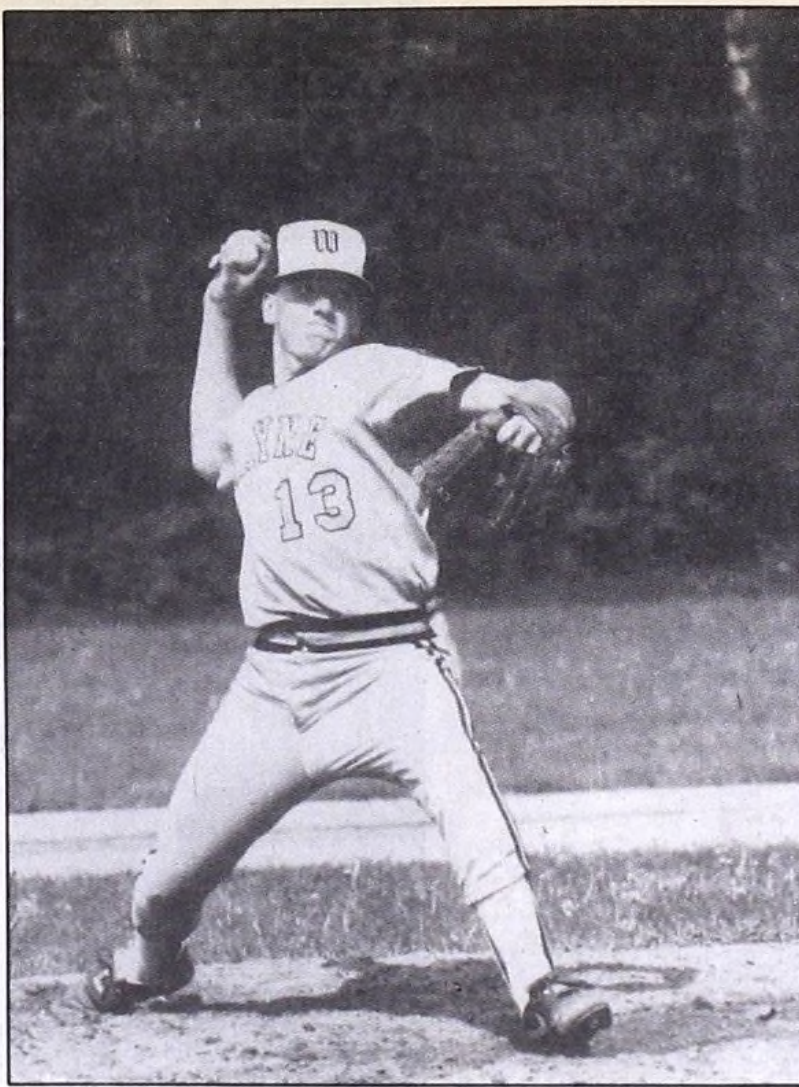

Wayne also took the shot put with Sue Kobylarz winning the event. She had a toss of 31'5 1/2". Akua Hammonds placed first in the long jump (15'8 3/4") while Cooper crossed the finish line first for the 100 meters (12.9).

Tranessa Borroughs, Nicole Perry, Zenovia Davis and Cooper made up the winning combination for the Wayne 400-meter relay (53.9).

Wayne blew right past Monroe in the 1,600-meter relay race as Cooper, Beetz, Borroughs and Hammond combined for a 4:16.

Belleville second baseman Bob Sackrider (above) receives the throw too late to put the tag on sliding Wayne runner Dave Martin. Sackrider and the Tigers came back and knocked off the Zebras and pitcher Scott Goleniak (right) 4-2 Tuesday in their final Wolverine 'A' Conference meeting of the season. The Tigers meet Glenn today for a pre-district showdown and, although the Rockets blew the Tigers away in their initial meeting, Belleville Coach John Bertz believes his club will give the No. 2-ranked Class A team in the state a better game the second time around. ANP photos by Deanne DeYonker/staff photographer

District next Belleville edges Wayne 4-2

Belleville tuned up for its Class A pre-district game with Westland John Glenn with an impressive 4-2 victory over Wayne Memorial.

Belleville meets the state-ranked Rockets at 4 p.m. Thursday on the Glenn diamond. "Their record," says Belleville coach John Bertz, "speaks for itself. After all, behind Lincoln Park, there is no finer team than Glenn in Class A. We have a tough job on our hands."

Belleville came from behind twice to put down Wayne and hand Scotty Goleniak his second setback of the season. Goleniak, who went the distance, didn't get support from his defense, which committed three costly errors.

Belleville pitcher Chuck Coleman looked good as he scattered four hits, fanned five but gave up six walks.

Wayne drew first blood as the Zebras scored in the opening inning when leadoff hitter Joe Limote drew a base on balls, stole second and raced to third on Doug Leverenz's

infield single. Leverenz then proceeded to steal second.

With runners on second and third, Joe Files came to the plate and managed to lift a Coleman curve into the outfield for a sacrifice fly.

Belleville came right back and tied the score in the second inning. However, Wayne cut the knot in its third on two-out singles from Files and Eric Bates, a wild pitch and, when Brian Burgess drew a base on balls, it loaded the bases for Jay Wetmore.

Coleman couldn't find his earlier form and gave up a walk to the Wayne slugger, forcing in what proved to be the Zebras' final run of the ballgame.

However, Coleman got out of trouble when he got Jeff Hargis to line out.

Belleville came back and scored the tying and go-ahead runs in the fourth and put an insurance tally on the board in the fifth.

The loss dropped Wayne in the Wolverine 'A' Conference to 2-8. The Zebras are 6-11 overall.

Runners reach regional tests

By TOM MOORADIAN
ANP Staff Writer

With the dual meet season behind them, high school track and field teams can now look forward to regional competitions.

Novi will be the destination Saturday for most of the local teams where a field of 17 clubs will meet for the right to advance to the state finals.

"It is one of the toughest regionals in the state," Glenn Coach Jess Shough said. "With Ann Arbor Pioneer in this (regional), it should be very interesting."

Wayne Coach Floyd Carter agreed, and the veteran coach believes there will be "some outstanding performances out of that regional."

The field of 17 will also include teams representing Belleville, Romulus, Plymouth Salem, Plymouth Canton and Livonia Franklin. Other teams at the Novi regional include the Ann Arbor schools, Ypsilanti, South Lyon, Howell, Brighton and Garden City.

The regional champion, along with the top two performers in each of the events, will advance to the state finals to be

conducted June 1 in Grand Rapids. Joining the regional qualifiers will be any athlete who managed to meet the state-qualifying times and performances.

Novi will also host the women's division.

Glenn has an excellent shot at qualifying pole vaulter Tony Donnelly, sprinter Randy Seach (400 meters) and Dave Arbor and James Key in the discus. The Rockets may also qualify in the 400- and 800-meter relays.

Wayne has a blue-chip athlete in the sprints. Al Buford should make it through the regional in the 100-meter dash and he has an excellent chance to survive the test in the long jump. Teammate James Grady will be among the top challengers for honors in the 110- and 300-meter hurdles.

Carter's 800-meter relay and the 1,600-meter relay have a shot at the regional titles.

Wayne hopes to qualify Akua Hammons in the 400-meter dash and German foreign exchange student, Erika Beetz, in the 300- and 100-meter hurdles. Quinday Cooper will run for the regional gold in the 100

Inkster rally falls short at Ecorse

By TOM MOORADIAN
ANP Staff Writer

This definitely isn't the Year of the Inkster Vikings.

Ask Viking baseball Coach Jerome Orr, he'll tell you.

Orr's clubs dropped their 10th of the season Tuesday night as Ecorse rallied for five runs in the bottom of the fourth and went on to win 7-5.

"I just don't know what it is," said Orr, who is in his third year at Inkster High. "At times, we look good. At times, we couldn't beat a Little League team."

Orr can't blame Craig Lewis for his team's troubles. Lewis accounted for three of his team's seven hits off winner Charlie King. He laced three

singles and drove in three of the Vikings' five runs.

King was tough when he had to be. He gave up a pair of runs in each of the third and fifth innings, but was able to ride the five-run fifth inning for his third win of the campaign.

The Vikings are back in action at 4 p.m. today. They will visit rival Dearborn Heights Robichaud. Inkster is sporting an anemic 2-6 Suburban Athletic Conference record and a 2-10 overall record going into a game last night with nonleague rival Dexter.

The Vikings are slated to play Detroit Renaissance May 23 to decide which team will play in the Class B district tournament.

Batten sets 2 world powerlifting records

Belleville can boast it is the home of a world powerlifting champion.

Cyril J. Batten established two world records and won the masters 110-kilogram class crown at the 1991 World Powerlifting Association world championships.

The world titles were decided last month in Bellows, Vt.

Batten, 47, set a world record for the class of 445 pounds in the bench press event, and a world record total for three lifts of 1,630 pounds at the WPA event.

The two new WPA records at the Vermont event bring Batten's WPA record total to 18,

along with 31 American and national masters powerlifting records.

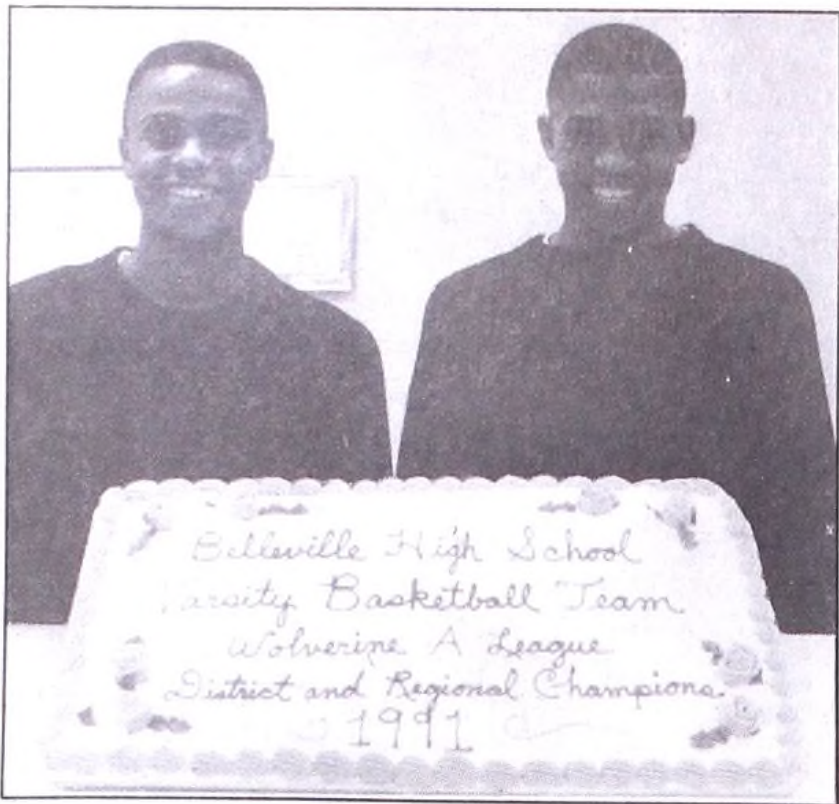

Batten's record lifts helped the U.S. team place first in the team competition, with Canada second and France third.

The Belleville world champion also captured the gold for the 110-kilogram masters class at the American Powerlifting Association championships last October at Bellows Falls.

Batten is a mechanical engineer who owns and operates Batten Corp., a multifaceted automotive company based in Romulus. He also designs and produces racing engines.

Tiger tribute

Sumpter Township officials last week paid tribute to two outstanding members of the Belleville High basketball team — Linton Macklin (left) and Maurice Robinson. Officials presented the cagers with a decorative cake. It's not known if Macklin and Robinson made a fast-break home with the cake or shared it with their teammates from Belleville and Van Buren Township. But it is known the Tigers posted a record 24-2 season and captured district and their first regional titles before losing in the quarterfinals of the Class A state championships. It was obviously a season few will forget in the coming months and years. ANP photo by Joan Dyer-Zinner

Glenn

Continued from page B-1

from junior right-hander John Ward, who fired a three-hitter, struck out 11 and walked six en route to his third victory in four starts.

"John struggled in the third inning," Hoenes said. "I was about to take him out but he convinced me he was all right, and he went on to pitch four scoreless innings."

Stevenson pitcher John Kehlaitis also looked tough. He went the distance after surviving a three-run first inning. In that frame, Andy Gagne tagged the Spartan hurler for a one-out single, then he intentionally walked slugger Lawrence Scheffer to get at Ward.

The Westlanders made it a 4-0 ballgame in the second thanks to a walk to Greg

Tamas, who stole second and went to third on Gary Pierce's single. Tomas scored on Gagne's groundout.

The Spartans came back and made it a 4-1 ballgame in the third, but the Rockets got that

run back in the bottom of the fifth thanks to Lawrence Scheffer's walk, a single by Mike White and a pickoff attempt that erased White from the base paths but allowed Scheffer to steal home.

HOMELITE® OUTDOOR POWER EQUIPMENT

Everything You Need To Get The Job Done Right!

NO RAKING NO BAGGING MOWER HAS TWIN BLADE WITH 6 CUTTING SURFACES

Homelite Mulching Mower HM20

SAVE \$50

TINY CLIPPINGS BEGIN TO DECOMPOSE IMMEDIATELY WITHIN TWO WEEKS ROOTS ABSORB NUTRIENTS

Mulching returns the clippings to the soil, where they decompose within 14 days. This returns the valuable nutrients to the soil giving you a healthier lawn. Mulching also reduces the evaporation of water from the soil.

OAKWOOD CARDIOLOGY CENTER

"I Used To Think I Was Indestructible, But Now I Know I'm Not. That's Why I Chose Oakwood."

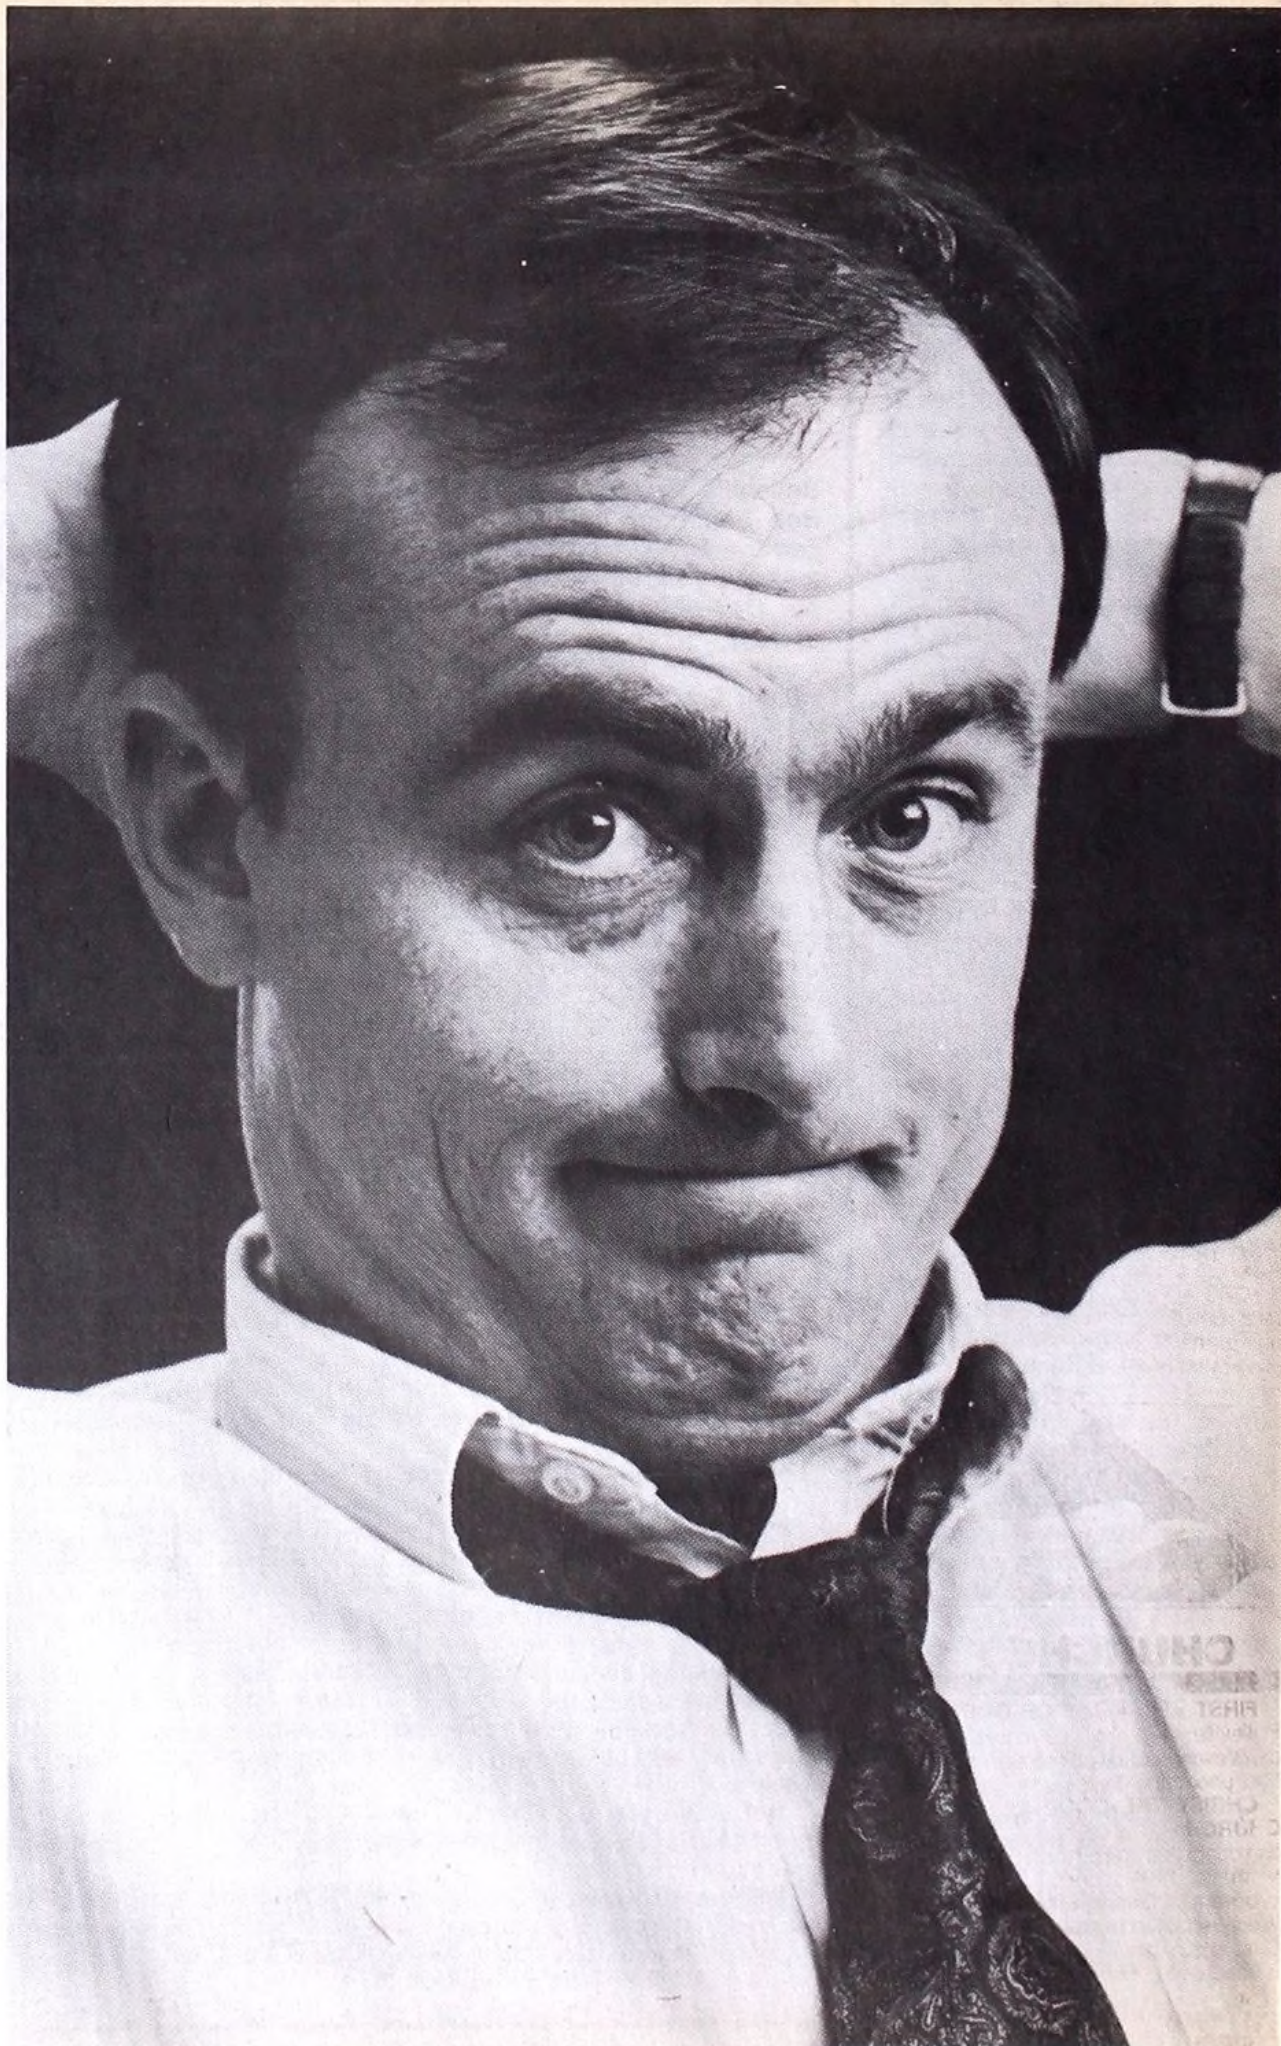

"I didn't think anything could stop me...not until I had a heart attack. It was lucky for me I got to Oakwood's Cardiology Center, where an expert staff took excellent care of me. Their specialists looked me over with all their state-of-the-art equipment, and put me on a personal treatment program. And with follow-up care, educational courses and monitoring, Oakwood will have me back to an active life. Which is how it should be. Just because a guy has a little heart attack, doesn't mean he has to stop living."

For 30 years, Oakwood Cardiologists have been dedicated to the treatment of cardiovascular disease with the latest treatment programs and surgical techniques. It's part of the Oakwood health care system, one of the largest health care systems in Michigan, with six hospitals, more than 30 local health care and specialty centers and more than 1,000 physicians. For the name of a physician on our staff, call the Oakwood Physician Referral Service.

CITY OF BELLEVILLE COUNCIL MINUTES

Regular Meeting
May 6, 1991
A Regular Meeting of the Council of the City of Belleville was called to order at 7:30 pm in the Municipal Building, 6 Main Street, by Mayor Silvenius with Councilmen Smith, Fields, Talaga, McGuire and City Manager Herron present.

Also present: Dan Andrews, W. Murphy, Keith & Ginger Bruder, Mike Foley, Don Blum, John Motter, Julius Hill, Martine Michiewicz & Ypsilanti Press.

Motion by Smith, supported by McGuire, to approve Council Minutes of April 15.
Motion carried unanimously.

Motion by Talaga, supported by McGuire, to approve Accounts Payable list with the addition of Rotary Club - \$120 and C. Chudzinski - \$80.
Motion carried unanimously.

Motion by Fields, supported by Smith, to receive DDA Minutes of April 17.
Motion carried unanimously.

Motion by McGuire, supported by Fields, to receive Park Commission Minutes of April 16.
Motion carried unanimously.

Motion by Smith, supported by McGuire, to receive proposed Capital Improvement Program and set Study Meeting for May 13 at 7:30 pm.
Motion carried unanimously.

Motion by Fields, supported by McGuire, to adopt a resolution to close certain streets for the Veterans Memorial Parade on May 18 and authorize City Manager sign.
Motion carried unanimously.

CITY OF BELLEVILLE BID NOTICE

The City of Belleville is requesting bids for the demolition of the old Belleville Hospital (approximately 75,000 square feet), located at 105 Main Street, Belleville, Michigan 48111. Bids are due by 5:00 pm on June 17, 1991 in the City Manager's Office, located in City Hall, 6 Main Street, Belleville, Michigan 48111. The bids will be publicly opened and read aloud at 7:30 pm on June 17, 1991 in the City Council Chambers in City Hall.

Specifications for this project can be obtained by contacting the City Manager's Office, City Hall, 6 Main Street, Belleville, Michigan, or by phoning (313) 697-9323. Bid specifications are free if picked up or \$2.00 if mailed.

The City of Belleville is an equal opportunity employer.
Agnes Frisch
City Clerk

General Motors donation

In an effort to better educate future mechanics, General Motors donated new automobile parts and a new Reatta to students in the auto mechanics department of the William D. Ford Vocational-Technical Center in Westland. Engine blocks and transmissions were among the parts donated as training tools for the student mechanics. Training at the center is quite involved, with students learning the latest information concerning automotive technology and diagnostics equipment. Studying some of the donated equipment are Greg Baracy of the school administration (left to right), Jody Turner, Jim Schirmer, Alan Bushaw and John Mooney. ANP photo by Robert DeYonker

Southgate Ford expands facility

Southgate Ford will soon have a new facility. The owner of the dealership ceremoniously broke ground Monday at 16600 Fort St. in Southgate, across the street from the existing dealership. After three years of planning, dealership manager and vice president Walt Oben Jr. said they are ready to take the plunge.

The new dealership will offer 67,000 square feet, 27,000 more square feet than the current building. Targeted for completion in December 1991, the new Southgate Ford will offer expanded new and used car and truck sales, service, parts and body shop departments. The expansion will feature a canopy adjacent to the new car showroom for increased covered display space. A separate, more comfortable lounge will be created for customers waiting for service on their vehicles.

In addition, the dealership is adding a fast lube service area for quick oil changes, a new down draft paint booth and a retail parts store.
